

InKjel 450 P a InKjel 1225 P

5 modelos de la familia · Sistemas de digestión Kjeldhal

Datos clave

Modelo	Código	Descripción	Voltaje Chile
InKjel 450 P	B00218107	Programmable infrared digestion system for 4 glass vessels of 500 ml	por confirmar
InKjel 475 P	B00218108	Programmable infrared digestion system for 4 glass vessels of 750 ml	por confirmar
InKjel 625 P	B00218105	Programmable infrared digestion system for 6 glass vessels of 250 ml	por confirmar
InKjel 1210 P	B00497540	Programmable infrared digestion system for 12 glass vessels of 100 ml	por confirmar
InKjel 1225 P	B00218106	Programmable infrared digestion system for 12 glass vessels of 250 ml	por confirmar

Especificaciones técnicas

Parámetro	InKjel 450 P	InKjel 475 P	InKjel 625 P	InKjel 1210 P
Width (in cm)	54.00	54.00	54.00	54.00
Depth (in cm)	44.00	44.00	44.00	44.00
Height (in cm)	75.00	75.00	75.00	75.00
Weight (in kg)	20.00	20.00	20.00	20.00
Power consumption (in W)	1500	1500	1500	1500
Current consumption (in A)	8	8	8	8
Programs	10	10	10	10
Sample positions	4	4	6	12
Digestion vessel size (in ml)	500	750	250	100
Energy setting range	0 - 100 %, infinitely variable, manually adjustable	0 - 100 %, infinitely variable, manually adjustable	0 - 100 %, infinitely variable, manually adjustable	0 - 100 %, infinitely variable, manually adjustable
Time setting range	0 - 199 min, in steps of 1 min.	0 - 199 min, in steps of 1 min.	0 - 199 min, in steps of 1 min.	0 - 199 min, in steps of 1 min.
